

GETTING DATA INTO MARKLOGIC

Jane Chen, Principal Engineer, MarkLogic

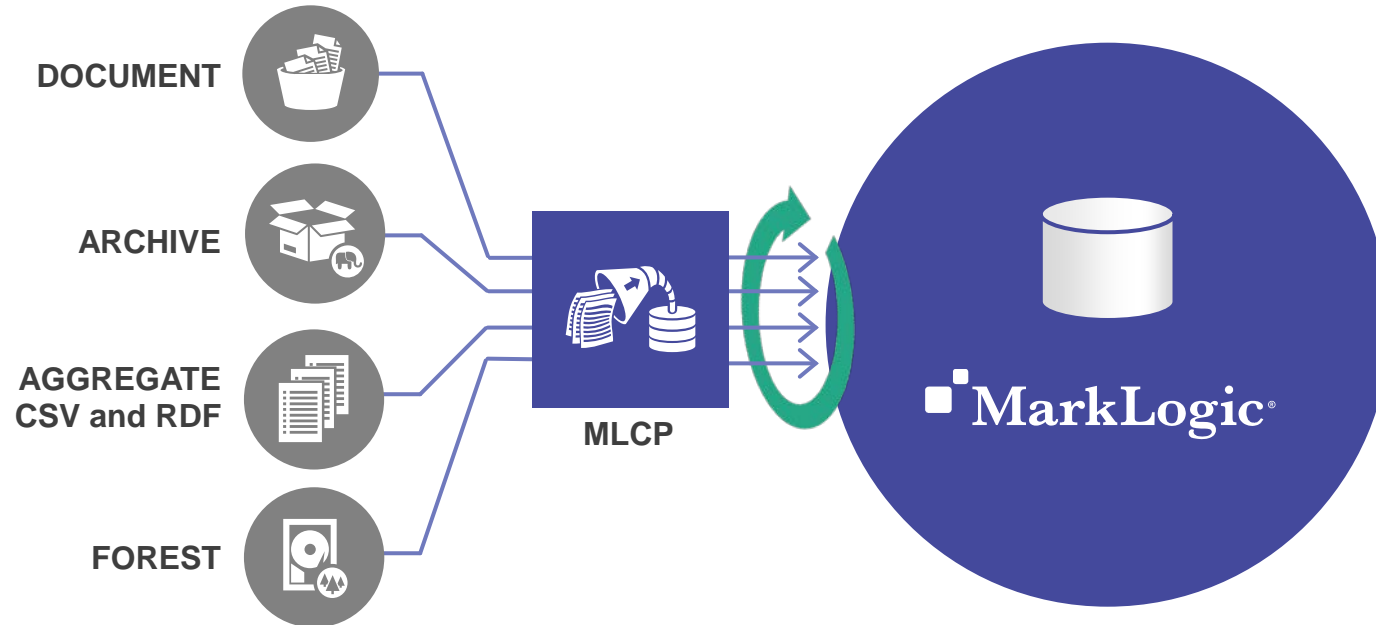

FEATURE

MarkLogic Content Pump (MLCP)

- Bulk Data Transportation Tool
- Fast
- Powerful
- Scalable

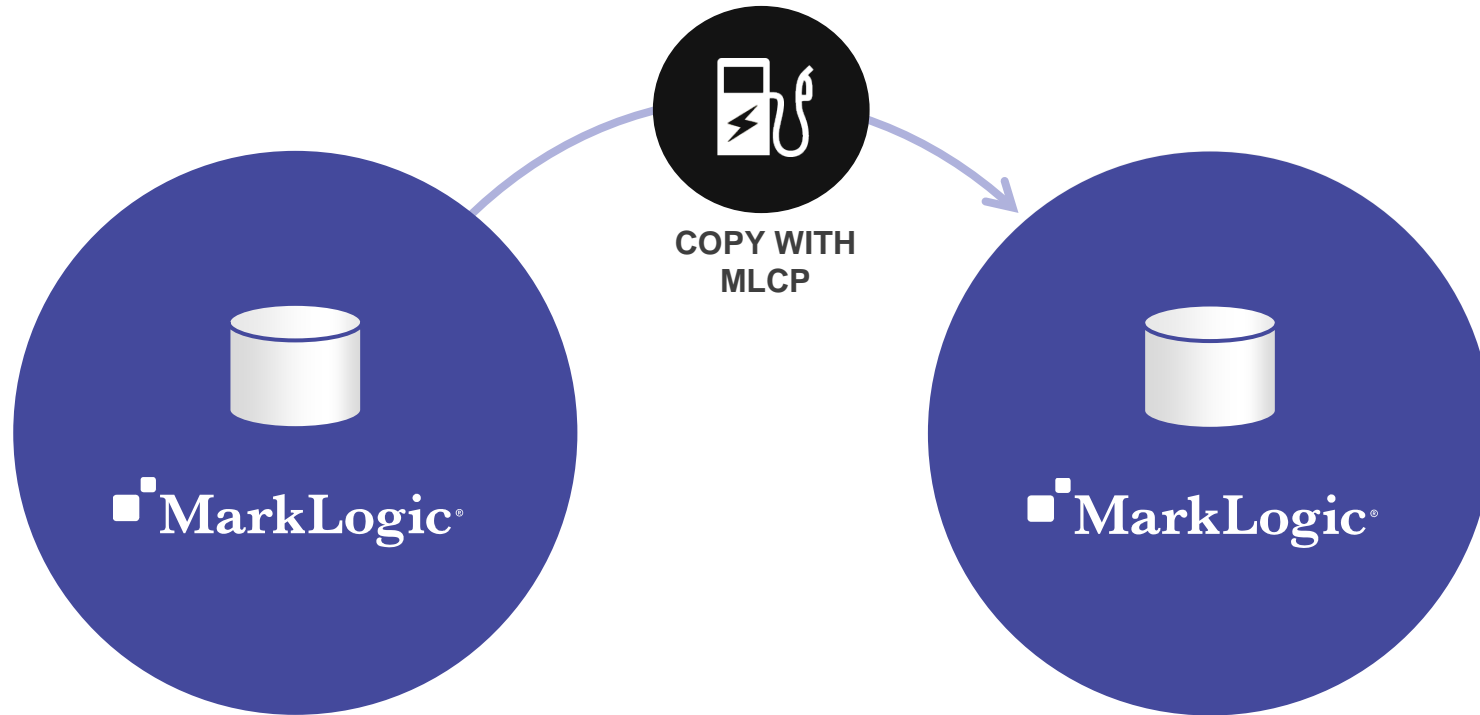

Import With MLCP

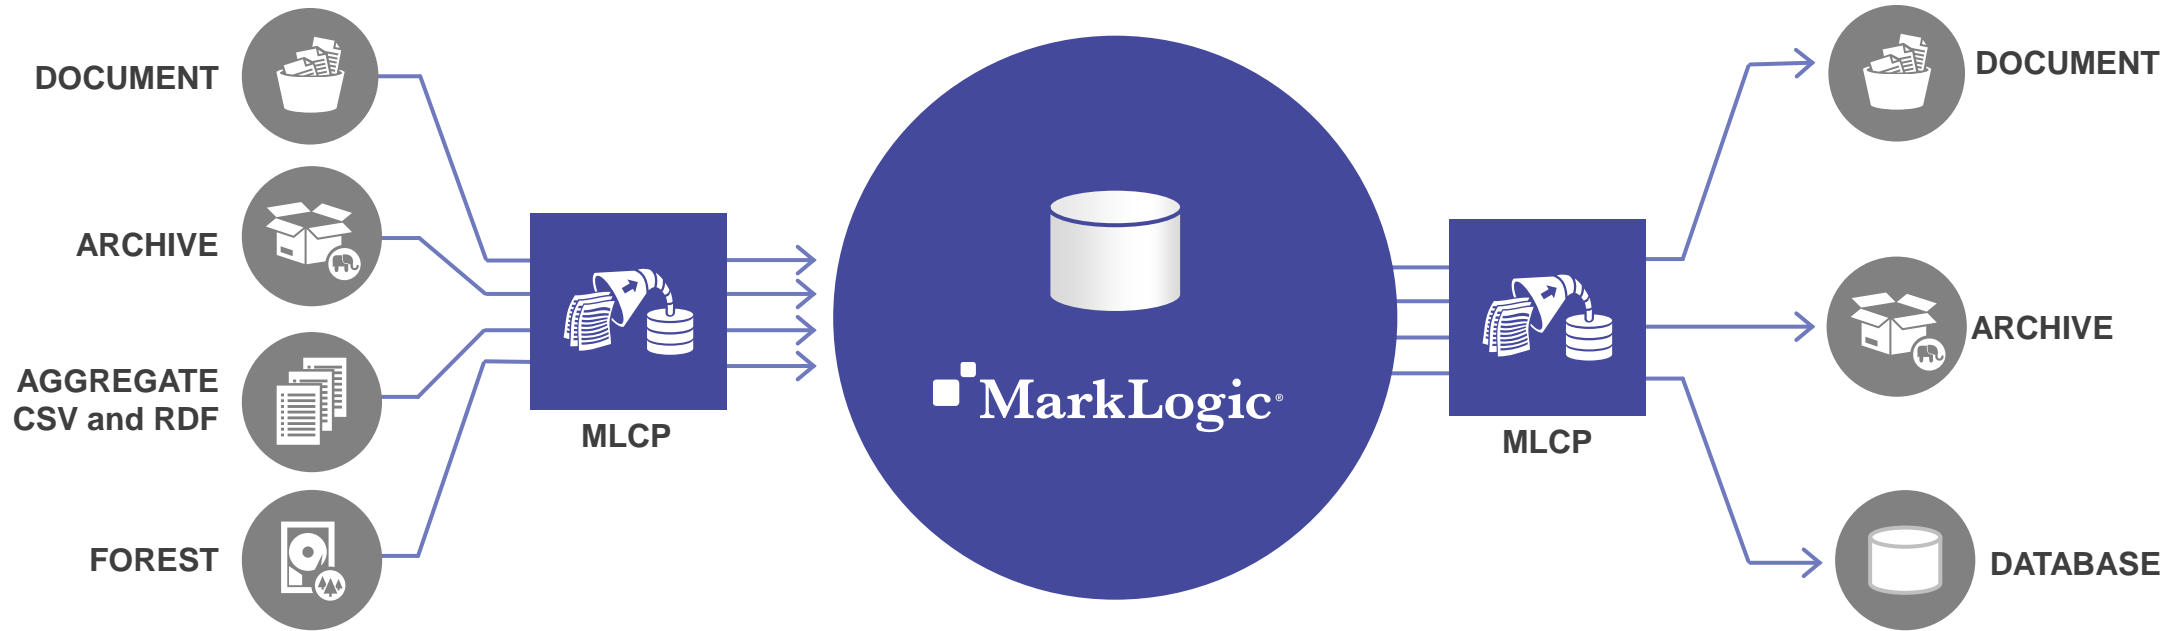

Export With MLCP

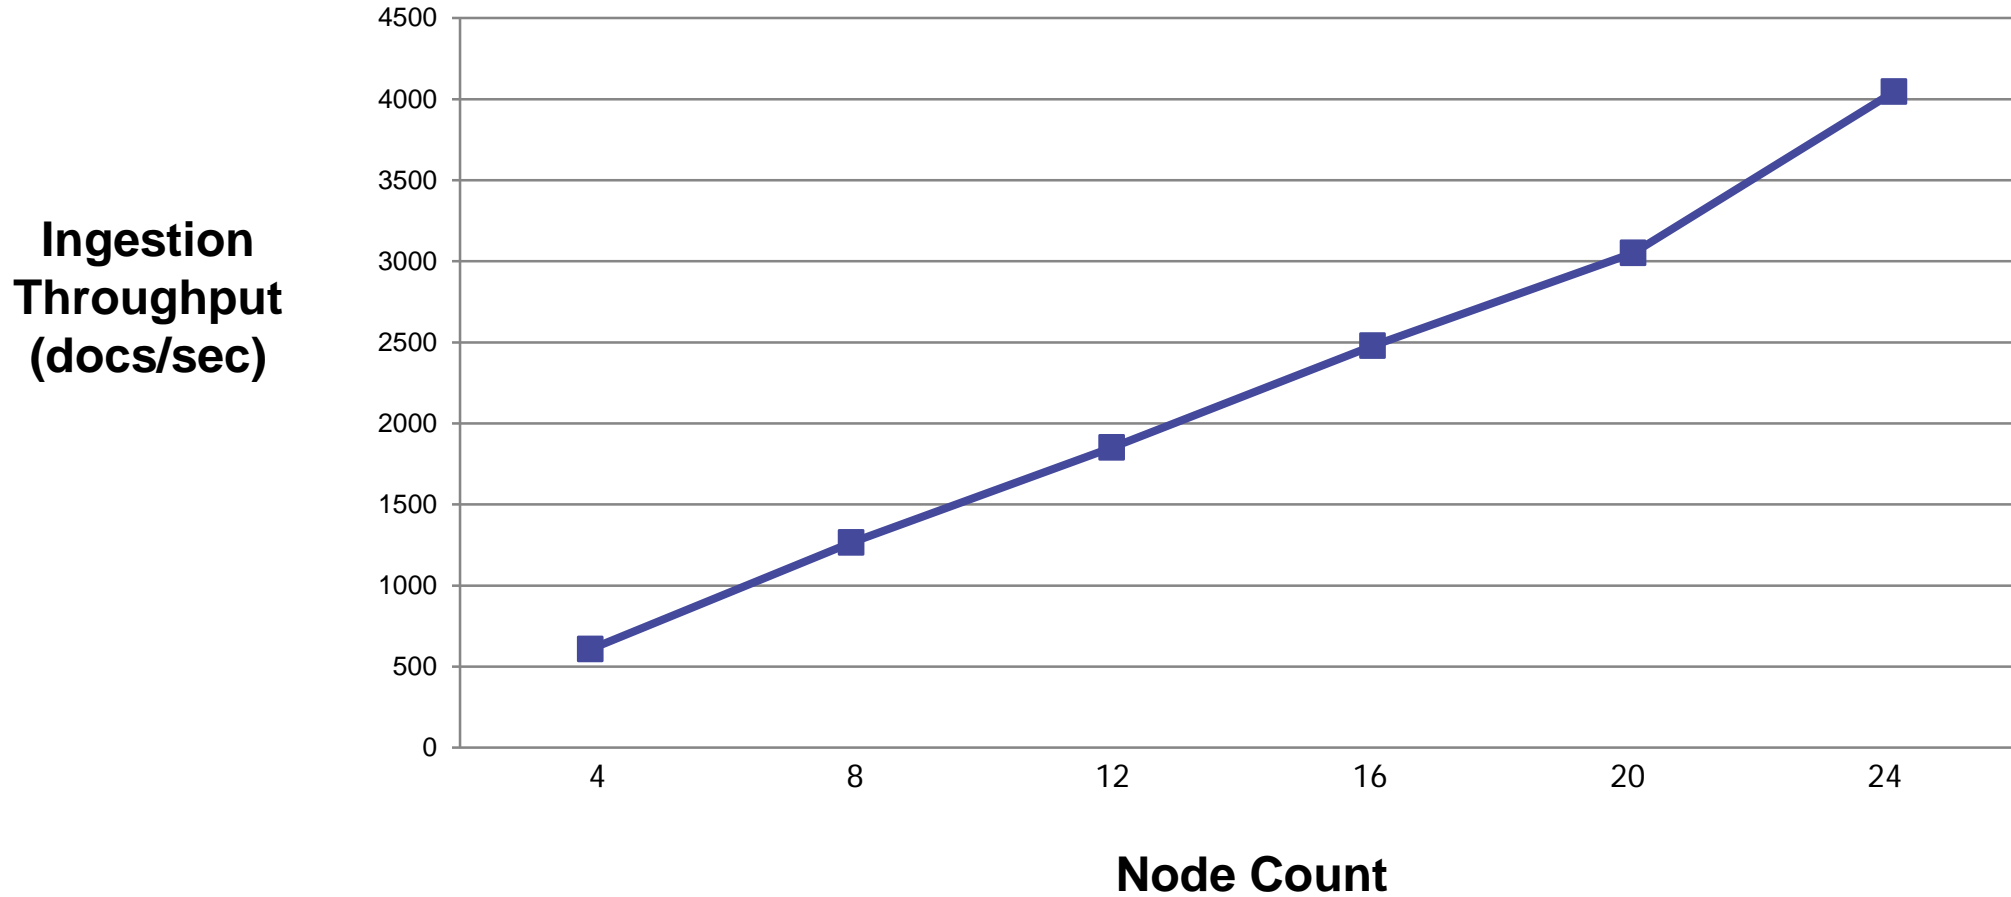

Copy With MLCP

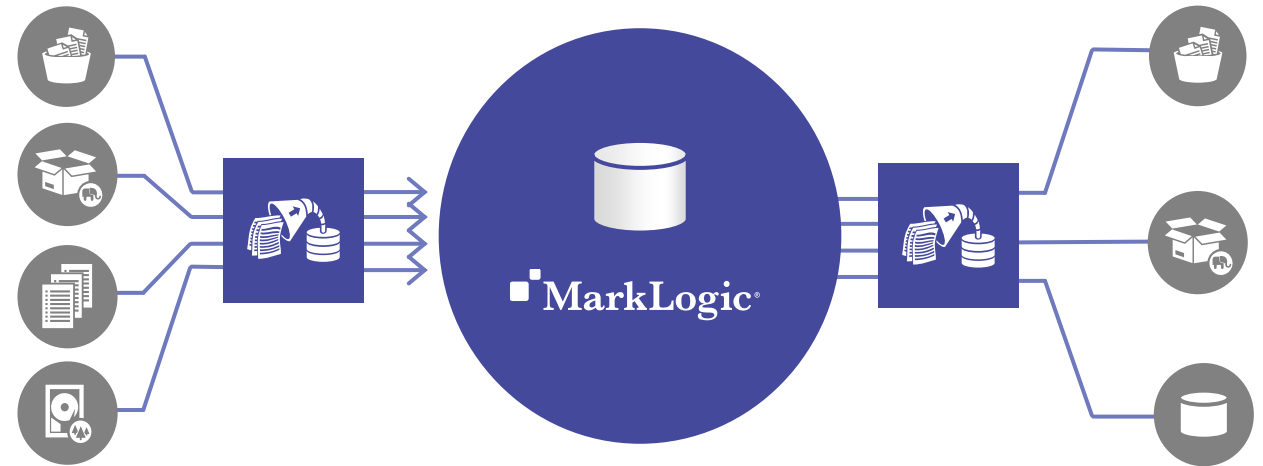

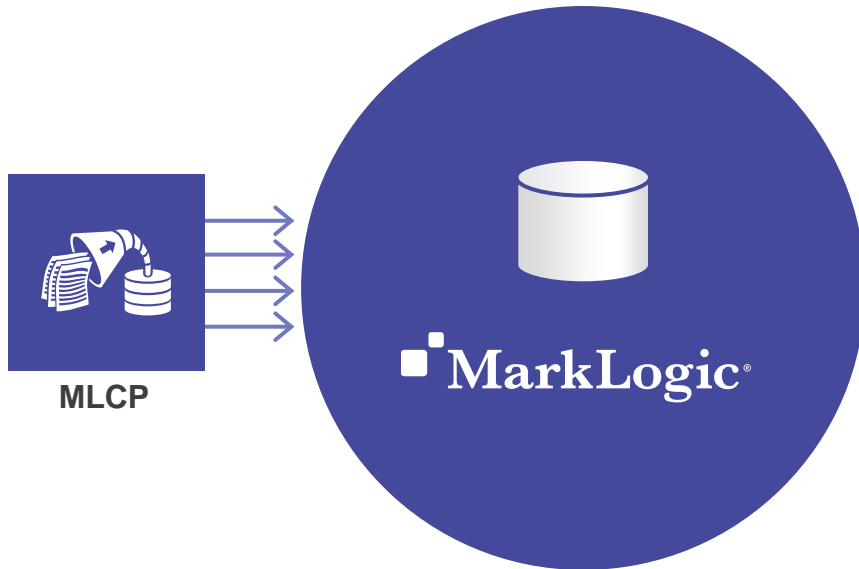

Ingestion in Scale

What Makes It Fast

- Work in Parallel
- Fully Leverage Server
- Minimize Overhead
- Leverage Locality
- Scale with Server

MLCP PERFORMANCE

Tuning Tips for **Import**

- Server
- Thread count
- Batch size
- Fastload
